

# We Value Our Sponsors

As a Sponsor of the 7th Annual Conservation Gala, your company will:

- Partner in the signature annual event for Conservation Halton Foundation and Credit Valley Conservation Foundation;
- Reach a committed audience including local business leaders, community politicians and members of the public from Burlington, Hamilton, Milton, Oakville, Mississauga, Caledon, and Georgetown;
- Develop a link to the successful environmental projects of Conservation Halton and Credit Valley Conservation;
- Showcase your commitment to building a strong and green community; and
- Play a significant role in enhancing and protecting our natural environment for present and future generations.

## 4 Ways You Can Support The Gala

The success of our Gala is dependent on the generosity of community minded individuals and businesses. We cannot express how grateful we would be for your participation and support.

### Become An Event Sponsor

This is your opportunity to showcase your commitment to building a strong and green local community. Please see the back panel for our various sponsorship opportunities.

### Attend The Event

Bring a spouse, friends or your whole company. We promise you an evening you won't soon forget!

### Donate An Item To Our Auction

Please consider making a donation to our live or silent auction. For many guests, our array of desirable auction items is the highlight of the evening!

### Make A Cash Donation

Cash donations in support of our Gala are always welcome.

### Where Your Money Goes

Proceeds from this year's Gala will help continue our Foundations' proud traditions of enhancing and protecting the natural environment for present and future generations.

The **Credit Valley Conservation Foundation** is proud to support the Conservation Youth Corps (CYC), a youth program for high school students living or going to school in the Credit River Watershed. CYC participants gain practical experience in conservation and natural resource management and are given a chance to become directly involved in local conservation projects. They also work towards fulfilling their community service volunteer requirements for high school graduation.

The **Conservation Halton Foundation** is proud to provide ongoing support for the Mountsberg Raptor Centre where we care for 30 injured owls, eagles and hawks; for environmental education programs at Crawford Lake Conservation Area; and stewardship programs such as the Burlington BlueCreeks Project that supports community volunteers in planting native trees and shrubs, cleaning local waterways and improving fish habitat.

*Proceeds from this year's Gala will help continue our Foundations' proud traditions of enhancing & protecting the natural environment for present and future generations.*
